#IDC2020

Your Invitation.

We invite you to be a part of our biennial conference – the ‘not to be missed’ key event in the International Aged Care calendar. Attracting over 1200 national and international delegates our mission is to inform and provide thought leadership that shapes and informs the delivery of aged and dementia care in Australia. We achieve this through industry partnerships and sponsorships with organisations such as yourselves.

Bringing together keynote speakers from across the world delivers a provocative, interactive and challenging program which ensures this will again attract a high calibre audience and deliver a sell-out event. We closed our registrations early last year due to demand so you don’t want to miss out on the opportunity to promote to a broad and relevant audience for aged care from Australia and overseas.

Our partnership with you is key to the success of our conference. We take seriously the contribution your organisation makes to the industry and the experience of our delegates. In turn we provide you with the opportunity to showcase your organisation to a large targeted audience of industry professionals in a highly supportive environment.

Our conference team is here to help and answer any of your questions. I hope you can join us and we look forward to seeing you on the 11th and 12th June 2020 at the Hilton, Sydney.

A/Prof Colm Cunningham

Director, The Dementia Centre, HammondCare
